

Reducing Reusing Recycling and Resource Recovery

KESAB and That's NOT Garbage

combine to offer the ultimate fun day out!

At **Statewide Recycling**

see how a 'Super Collector' of 10 cent deposit drink containers operates and enjoy interactive displays in the **KESAB Education Centre**.

Go to Waste, Recycling and Litter Education at www.kesab.asn.au for more information.

That's NOT Garbage

is a reuse centre full of recovered art, craft and construction materials for schools and the community. Located at 24 Charles Road, Beverley, the TNG team also have stacks of enterprise ideas to help turn your visit into a fundraiser!

Visitors to TNG will -

- discover the wonderful world of resource recovery
- meet some of the animals who recover resources from nature
- work with our artists to create a fabulous and functional piece of art to take home
- shop and fill a sack with great resources for your class or group

Visit www.thatsnotgarbage.com.au or phone 8243 0321 for more information.

Full day school excursions to both sites can be arranged for one or two classes alternating between Statewide Recycling at Ottoway and That's NOT Garbage at Beverley. Both sessions are 90 minutes with extra time for recess or lunch.
