# COMMUNITY WORKSHOP OPTIONS

## GET CREATIVE WITH FOOD SCRAPS WORKSHOP

1.5 - 2 HRS, MAX 25 PARTICIPANTS · ONE SESSION \$800 · ADDITIONAL SESSIONS \$400 EACH

Don't know what to do with random leftovers or ingredients that were forgotten? This workshop provides inspiration for frugal cooking using items you may not have thought to use.

This can either be run as an interactive hands-on workshop or as a demonstration with samples for participants to try.

*\*This session requires access to a fully equipped kitchen.*

---

## PAPERMAKING WORKSHOP

1 HR, MAX 25 PARTICIPANTS · ONE SESSION \$520 · ADDITIONAL SESSIONS \$250 EACH

A great workshop where participants of all ages can make their own recycled paper in just one session.

*\*This session requires a 'wet area'.*

---

## COMPOST OR WORM FARM WORKSHOP

1.5 HRS · ONE SESSION \$400 · ADDITIONAL SESSIONS \$200 EACH

Have you considered establishing your own compost system or worm farm? Our compost and garden expert can visit your site to demonstrate how to establish and maintain a healthy compost or worm farm. A great session for community gardens, this workshop can also be run as an indoor presentation.

*\*This workshop length can be modified depending on your needs.*

---

## GARDENING WORKSHOP

2 HRS · PER SESSION \$460 · ADDITIONAL SESSIONS \$260 EACH

An incredibly informative session with our garden guru and permaculture expert. Sessions are tailored to your groups needs, with topics ranging from gardening in small spaces to fruit tree pruning. A great session for community gardens, this workshop can also be run as an indoor presentation.

*\*This workshop length can be modified depending on your needs.*

# COMMUNITY WORKSHOP OPTIONS

## WASTE AND RECYCLING INFORMATION SESSION - WHICH BIN

1 HR (APPROX.) · ONE SESSION \$350 · ADDITIONAL SESSIONS \$150 EACH

Which bin is best and where does it all go? An education officer from KESAB can visit your group (Mon- Fri) to give an informative presentation on waste and recycling collections and processing.

Presentations can be structured to meet individual group needs but generally cover:

- what goes in each bin (and what doesn't)
- the importance of recycling and food organics recovery
- electronic waste and other tricky items.

Make sure to bring all your tricky questions!

---

## BEESWAX WRAP WORKSHOP

1 HR, MAX 25 PARTICIPANTS · ONE SESSION \$500 · ADDITIONAL SESSIONS \$300 EACH

Beeswax wrap workshops are an opportunity to make your own personalised plastic free alternative to cling wrap – a fantastic way to reduce waste and create something beautiful, practical and eco-friendly! All participants make their own personalised wrap to take home and use, plus DIY instructions so they can do it again themselves.

This workshop can be coupled with a 1 hour presentation and Q&A on low waste living and plastic avoidance - a great option leading up to Plastic Free July or the holiday season.

*\*This session must be held in a closed room to avoid insects and non carpeted areas are best to avoid wax stains.*

---

## DIY CLEANING AND PERSONAL CARE PRODUCTS WORKSHOP

1.5 HRS, MAX 25 PARTICIPANTS · ONE SESSION \$730 · ADDITIONAL SESSIONS \$400 EACH

Many common household products are easy to make yourself with simple, everyday ingredients. Reduce plastic use and the chemicals in your home, and save money. In this hands-on workshop participants are able to make their own samples to take home.

This workshop can be coupled with a 1 hour presentation and Q&A on low waste living and plastic avoidance- a great option leading up to Plastic Free July or the holiday season.

*\*This session requires access to a microwave or kitchen.*

---

*Additional costs apply for travel outside 20km radius & weekend bookings. All hands-on workshops are a maximum of 25 participants. All prices exclude GST.*
