

## Welcome Litter Warriors.

The Litter Warriors of Ackland Hill Road have joined the Road Watch Adopt-A-Road program and have already made a positive impact on their local environment. Pictured above are Della Rowley, Ann-Maree O'Connor and Fiona Bennett.

This group have already undertaken several clean-ups. They have cleaned up along Star and Arrow Road, Cherry Gardens and have collected a flat screen TV, cushion, bumper bar, endless take away food containers, cigarette butts and packages, carpet, bottles and plastic. They have also cleaned up all along Ackland Hill Rd from Main Rd Coromandel Valley to Cherry Gardens Road which is approximately 6 kms.

# Lions Club of Strathalbyn

The Lions Club of Strathalbyn District have been working with the Road Watch program since 2004.

Jack Williams sent us this photo which shows the thoughtless dumping of rubbish in the local area.

Thankfully Alexandrina Council were fast acting and able clean up and dispose of correctly.

## Illegal Dumping – it's a crime

Illegal Dumping is the disposal of waste on public or private land or into water without a licence, permit or approval from the relevant authority such as the EPA or local council.

If volunteers come across this type of dumping the team leader should contact the local council and notify them of the location of the illegally dumped materials.
