

Captain Arthur Phillip's Hat Instructions

Follow these instructions to make a replica of Captain Arthur Phillip's Hat.

What you will need:

- templates
- blue cardboard
- yellow or gold paper
- pencils/markers
- scissors
- staplers
- glue
- sticky tape.

Instructions

1. Cut out the templates. You will need two of each of the hat pieces.
2. Stick the two hat pieces together (along the dotted line) to make one long hat template. Then stick the two trim pieces together (along the dotted line) to make the trim template (Figure 1).
3. Use the templates to trace, then cut out:
 - 2 hat pieces from the blue cardboard (using the hat template you have made)
 - 1 trim piece from yellow or gold paper (using the trim template you have made)
 - 1 fan piece from yellow or gold paper.
4. Place the two blue cardboard hat pieces on top of each other and staple them together at the ends only. Try the hat on and add additional staples if it is too loose.
5. Use glue to attach the trim to the top of the hat (Figure 2).
6. Fold the yellow or gold fan piece into a fan shape and hold the base together with sticky tape (Figure 3).
7. Use sticky tape or glue to attach the fan to the hat for decoration.
