What lies beneath?

Name: _____

Read the information in the 'Where does our water come from?' section of the website (there are also printable pdfs in that section), then record the impurities that can be found in each of the following water sources. You may wish to include some illustrations.

<p>Ground water sources (e.g. bores or wells)</p>	
<p>Surface water sources (e.g. lakes, dams, rivers, waterholes)</p>
