

## Waste words

Name: \_\_\_\_\_

In the table below are some words that you will encounter as you learn about waste and waste management. For each word find a definition (that relates to a waste management context) and then write a sentence using the word. On page 2, there is space for you to include some words of your own.

WORD	DEFINITION	USE IT IN A SENTENCE
WASTE		
LANDFILL		
CONTAMINATE		
RECYCLE		

WORD	DEFINITION	USE IT IN A SENTENCE
ORGANIC
