

ROAD WATCH

ADOPT A ROAD

Thank you for your involvement in the Road Watch - Adopt A Road program. Since 1996, hundreds of volunteers have completed clean-ups, significantly contributing to South Australia's reputation as the 'clean and green' state. Congratulations on your amazing achievements, your work is certainly valued and has positively affected local communities.

It is now time to review the program and this is where you can continue to make a difference. Volunteers have the best practical experience of this program, so we invite you to share your feedback. This will help shape the program offering, ensuring that it stays relevant, positive and continues to grow. If you are no longer actively involved, please let us know so that we can update our records.

You can complete the survey online, in hardcopy, or call to discuss. (08 8234 7255-Sarah Bruns: Road Watch-Adopt A Road Co-ordinator. roadwatch@kesab.asn.au)
